

## **ECO-TRAIN MULTIPLIER EVENT**

### **1. EVENT SUMMARY INFORMATION**

ECO-Train promotional event took place on the 21st of October at Sala Utopía in Valencia, which is located near the centre of the city.

It is a large room where the event could be held following the current security recommendations. The participants were also catered after the presentation of the project and had the opportunity to network.

At the ECO-Train promotional event, Valencia Innohub gathered 25 participants to whom the project was presented following the structure shown in the agenda presented in this report.

The participants were all from Valencia, Spain.

The participants were from various organizations that were interested in the project such as AJEV, Trevol, Almeira Consultores, EMMDI, Divisiones Valencia SL, Femeval or Social Nest Foundation. The rest were students and educators from both the University of Valencia and the Polytechnic University of Valencia who thought the project could be beneficial for people of their surroundings.
